Support Team

The above Consultants are supported by a team of highly experienced executive support professionals who are equipped with the judgement and expertise to effectively, courteously and confidentially interface with candidates and clients (at all levels) in regard to this often complex and sensitive, and always important work.

Team Capability/Experience

In addition to the recruitments listed below (but excessive for the purposes of this document), the Hender Consulting Team has recruited literally hundreds of permanent and temporary contract first, second and third tier professional roles across all corporate disciplines such as finance, IT, human resources, marketing, communications, governance, engineering, project management, executive support, procurement, logistics, supply chain, customer service, etc. The firm is also regularly engaged formally and informally to assist with the search and selection of non-executive board directors.

The firm is engaged most weeks in both formal and informal remuneration reviews across a diverse range of management positions up to and including CEO. We are also regularly engaged to conduct independent performance appraisals for senior executives. Another key service line is organisation structure analysis and advice. The nature of these complementary services to our primary recruitment business is such that details are often highly confidential. We can nonetheless provide contact details of clients who have utilised and derived value from these important services.

Over the life of the firm, Hender Consulting has provided remuneration and performance appraisal services to virtually every Council in SA along with a wide array of other public and private entities. Our Team's goal is to tailor a human resource solution that addresses both our clients' immediate and future permanent and contracting/temporary recruitment needs. We believe in dedicating our resources to developing long term partnerships based on an in depth understanding of your needs and through the provision of professional value added services. We offer our vast knowledge of candidates within the Adelaide market and with this reliability, responsiveness, transparency, and communication on the availability of quality resources. Whilst the organisation predominantly services clients whom have a presence in South Australia, it has both the capability and experience to undertake assignments in other States and Territories of Australia and overseas.
